## Wolds Ward Laceby Update January 2022

### Crime

There were twenty nine reported crimes across the Wolds Ward for December. Eleven of these were reported in Laceby village.

There have been eight reports of criminal damage around the village. Four youth's original involved in the throwing of apples at properties have been dealt with in the presence of their parents. Patrols have been carried out in the village. These will continue; however, it seems that there are further incidents occurring probably involving different people. If anybody has information, or has been a victim of crime, please report this to the police.

A car that was found abandoned on Caistor Road, with damage to the front wheels and bodywork, was later reported stolen from Keith Crescent.

The other offences were an assault and a domestic related harassment.

There was one report of ASB which was a neighbour dispute.

### How you can help

Your local Neighbourhood Policing Team appreciates the importance of being in the right place, at the right time, for the right reasons to reassure the public, improve public confidence and reduce crime and anti-social behaviour in the area in which we all live and work.

We encourage all residents to call and report any issues where they live so that we can deal with any issues and step up our patrols in the area. The number to call for non-emergency issues is 101

If you feel that there are other issues affecting you or your local community that should be given priority, please inform your local councillors or your Neighbourhood Policing Team.
