Laceby Village Council

Your Councillors – Introducing the Chair, Councillor Rhys Childs

Laceby Village Council welcomed Cllr Childs onto the Council in September 2023, before electing him as the Chair at the Annual meetings in May 2024. Prior to this Rhys was involved in the Platinum Jubilee events for the village and Remembrance Sunday, and is a tireless supporter of St Margaret’s Church and the Laceby Community Collective (LCC).

Rhys was 18 on appointment and it is thought that Rhys is the youngest Chair of Laceby Village Council – ever!

Since he took up the Chair, Rhys has pledged his support to residents with road safety concerns in the village, and has attended meetings with the Portfolio Holder on behalf of the Grimsby Road Residents. He has also continued to support the LCC both attending committee meetings and offering his time to help the LCC prepare and manage the Summer Social in July.

Cllr Childs has lived in Laceby all his life, and enjoys walking around the local countryside and listening to 70’s and 80’s music. In addition to volunteering with the LCC, he is also a proud member of the congregation at St Margaret’s Church.

Village Council Meeting Dates:

- Tuesday 3rd September @ 7.30pm
- Tuesday 1st October @7.30pm
- Tuesday 5th November @ 7.30pm
- Tuesday 3rd December @ 7.30pm

Public welcome, and agenda items available approximately a week before on our website.

All meetings are held at the Stanford Centre, Cooper Lane, Laceby.

Your Village Council

Council Round up June & July:

- Cllr Metcalf and Cllr Schofield attended the planning inspectorate appeal hearing to object to the removal of condition 5 regarding the northern border on Land at Field Head Road. The case was put forwards for the condition to remain.
- Cllr Childs attended the Portfolio Holder's meeting regarding the safety of Grimsby Road. Unfortunately, the outcome is for NELC to continue monitoring, and residents should continue to report concerns, near misses, incidents, & poor driving directly to NELC and escalate to the PCSO.
- The hedge along Grimsby Road (opposite BMW) had overgrown the footpath and restricted access for pedestrians. LVC raised this and it has now been cut.
- Overgrown hedges, footpaths and roads should be raised with NELC directly.
- There were no reports of ASB made to the Police during May; residents advised to report all concerns directly to the Police. The crime reports are available on LVC website for you to read.
- Financial Accounts for 2023/24 have now been published and are with the External Auditor. The Accounts can be viewed on the LVC website.
- Working with NELC, the Village Council have managed to secure additional buses in the early mornings and late evenings. See back inside pages.
- Cllr Mike Hall co-opted onto the Village Council in July.
- The St Francis Grove soft flooring has begun to breakdown; quotes were received and work has been scheduled to repair the floor. Cllr Johnson has repaired the little car and the play area will be cleaned during August to try and remove the lichen and dirt.
- Quotes are being sought to repair the lights on the Church Clock.
- Complaints have been received regarding road safety on Cooper Lane and Butt Lane, and LVC are working with NELC and the PCSO's to deal with the concerns.
- LVC supported the Laceby Community Collective Summer Social.
- LVC agreed to take responsibility of the maintenance of the defib at Butt Lane Playing Field.
- LVC has liaised with NELC to ensure the promised footpath between Butt Lane Playing Field and Bishops Grange is constructed and without a full road closure. This will be done during August, and with traffic signals.
- LVC are currently trying to ensure the footpaths on Bishops Grange are also finished before the builders leave site.

Your Local Policing Team

The Neighbourhood Policing Team appreciates the importance of being in the right place, at the right time, for the right reasons, to reassure the public, improve public confidence and reduce crime and antisocial behavior in the area in which we all live and work.

We encourage all residents to call and report any issues where they live so that we can deal with them and step-up patrols in the area.

The number to call for non-emergency issues is 101, and the named officers for Laceby and the Wolds is:

PC 591 Danielle Drake – Danielle.drakes@humberside.police.uk

PCSO 7752 Joe Kusnyer – joseph.kusnyer@humberside.police.uk

Did you know you can also report online to Humberside Police?

<https://www.humberside.police.uk/ro/report/ocr/af/how-to-report-a-crime/>

At the Village Council Meeting in June, residents raised concerns regarding the parking of vehicles on the road, and the impact of this on the residents and safety of the roads.

PCSO Kusnyer, who was at the meeting advised that this was a Civil matter, and should be reported to NELC. He advised that as part of **Operation Snap**, residents can take pictures of illegally parked cars and send them in - <https://www.humberside.police.uk/police-forces/humberside-police/areas/campaigns/campaigns/operation-snap/>

Humberside Police are also continuing to drive the **Op Yellowfin** campaign which aims to target those using motorbikes to commit crime and those who pose danger to the community. You can play your part in reducing bike crime in your community too by reporting concerns to the police to build a picture of times, days and locations so we can focus our resourcing when and where it is needed. You can report it anonymously or to Crimestoppers.

Your Ward Councillors

If you need to raise an issue or have a problem with a service provided by NELC, then you could contact your Ward Councillors for the Wolds Ward:

Laceby District Royal British Legion Remembrance Sunday 10th November 2024

The Laceby Remembrance Sunday event will take place on Sunday 10th November with a march leaving the Royal British Legion Club on Austin Garth at 10.20am to St. Margaret's Church for a service, then onto Laceby Cemetery for wreath laying and the names of fallen locals to be read around the Cenotaph, with a final march back to the RBL club for light refreshments.

The march has musical accompaniment, local youth groups and organisations presenting their 'standards' flags, Branch and Club Committee members, local dignitaries and any general public members, who wish to be involved.

This event has an historic tradition in the village and is always supported greatly by the locals, with many lining the route. ALL WELCOME.

Laceby RBL Coffee Mornings

A coffee morning is held every other Friday morning from 10.30am to 12pm at the Royal British Legion Club on Austin Garth; with coffee/tea and biscuits/cake for only £2 it's great value. A warm welcome awaits you and a friendly atmosphere allows for local and national topics to be discussed and friends to catch up with each other.

Please call Vicky Hull on 07952927723 for any further details required.

Laceby In Bloom

LIB was formed in 2016 with the intention of improving the village by siting planters at strategic sites on verges where they give the most impact. With 10 members, LIB began tidying up parts of the village that were in need of some TLC. Litter picks were organised with the first one covering the entirety of the village producing over 80 sacks of rubbish.

LIB was able to draw on sponsorship from several businesses as well as Laceby Village Council, Ward Cllr Hasthorpe, and the Solar Farm, which enabled them to purchase planters, tools and equipment.

In 2017, LIB entered the Britain in Bloom competition and were awarded a silver certificate. In 2018, they entered the competition again and came away with a silver gilt award.

All went well until the pandemic struck, which devastated membership as some helpers were not well enough to return. LIB continued with the team they had, concentrating on planting key sites around the village.

In 2022 a very kind neighbour offered to help set up a Facebook page for the group which immediately raised the profile of our group encouraging residents to plant containers in the area in which they live. LIB now has twelve or so residents taking responsibility for planting and watering the 17 planters, with the 3 large hanging baskets cared for by the Pre-School. Two gardens have been created, at Pawson's corner and at the western (Caistor Road) entrance to the village.

Thank you so much to everyone for coming out and supporting our summer social 24 and we hope you really enjoyed the day. We have to have a special mention to Nick Ellis for financially supporting our event, it was an amazing gesture and without the support from the village we wouldn't be able to run these kind of events. Thank you to the village council
